Dear Mr. Dimock:

Thank you for your cooperation during the Quality Assurance (QA) Capability Survey conducted at your facility on June 22, 2011. Your company complies with all of the Defense Supply Center Philadelphia's (DSCP's) Qualified Suppliers List (QSL) Criteria and Provisions. Texas Specialty Metals (CAGE Code: 5W3A9), is hereby approved to be listed as an approved QSL Distributor for Bulk Metals, effective August 1, 2011. This qualification is based on the review of your quality manual and the result of the aforementioned survey.

This qualification term shall expire in three years (August 1, 2014). Please see the DSCP's QSL Criteria and Provisions for details about the commodity your company is approved to distribute on our QSL home page at http://www.troopsupport.dla.mil/CE/prod_services/qsl.asp. Also, please keep in mind that audits may be conducted at any time, either announced or unannounced.

If you have any questions, I can be reached by telephone at (215) 737-9020 or via email at Alonzo.miller@dla.mil. Thank you for your participation in the QSL program for distributors.

Sincerely,

A handwritten signature in black ink that reads "Alonzo Miller".
